Fiscal Note Version - New

Description

House File 2670 increases the percentage of adjusted gross receipts (AGR) from racetracks and excursion boat casinos that goes to the County Endowment Fund to 0.8%. The Bill also creates a standing appropriation of 0.1% of the AGR to the Department of Economic Development (DED) for purposes of marketing and tourism and provides that 0.1% of the AGR annually goes to the General Fund to fund the Endow Iowa Tax Credit. Additionally, the Bill eliminates the June 30, 2010, repeal of the Endow Iowa Tax Credit.

Background

During the 2004 Legislative Session, HF 2302 (Gambling Act) increased the amount of AGR from 0.2% to 0.5% for the Gambler's Treatment Fund, created the County Endowment Fund, and provided that the Fund receives 0.5% of the AGR. Funds received by the County Endowment Fund are to be used by counties not having a licensed casino, to provide grants for charitable purposes.

Assumptions

Based on the most recent meeting of the Revenue Estimating Conference (REC), current law will generate \$5.7 million in FY 2006 and \$6.3 million in FY 2007 for deposit in the County Endowment Fund. A portion of the increase in FY 2007 is due to the four newly-licensed excursion boat casinos becoming operational.

Fiscal Impact

The Bill will result in an estimated additional \$3.4 million deposited in County Endowment Fund, \$1.1 million appropriated to the DED for tourism and marketing, and \$1.1 million credited to the General Fund to fund the Endow Iowa Tax Credit in FY 2006. For FY 2007, the County Endowment Fund will receive an additional \$3.8 million, and the DED and General Fund will each receive \$1.3 million.

This will result in an estimated decrease of funds deposited in the Rebuild Iowa Infrastructure Fund of \$5.7 million in FY 2006 and \$6.3 million in FY 2007.
